## GUARANTEE OF GENUINENESS

While we exercise the greatest care to have every tree or plant true to name, and are ready, on proper proof, to replace anything sent out by us that may prove untrue to label, free of charge or refund the money paid for it, it is understood and agreed between purchaser and ourselves, that we are not to be held liable for any greater sum than that paid us for said trees that prove untrue.

All orders for nursery stock, etc., must be accompanied with cash unless previous credit has been established with the company.

Claims for errors, deductions, etc., must be made within five days after goods arrive at destination. Immediate attention will then be given the matter.

We have been in the nursery business for over 40 years and will be glad to give you the benefit of our wide experience. We will tell you WHAT to plant, WHERE to plant and how to CARE for things after planting.

This little circular is only meant to be a price list, not a descriptive catalog. However we offer for sale only those varieties which we have proven to be hardy and satisfactory for this severe climate, so you will make no mistake in ordering anything we list. If you wish to leave the selection of varieties to our judgment, we will guarantee satisfaction for we are in the business to stay. We pick from the preceding list for all our landscape work.
